Jürgen De Fruyt

June 23, 2015

President

Istanbul, Turkey

Flemish Psychiatric Association (Belgium)

Dear Prof. Fruyt,

As it is to your knowledge, World Psychiatric Association in collaboration with the Psychiatric Association of Turkey and the Turkish Neuropsychiatric Society is organizing the “WPA International Congress”, on July 06-10, 2016, to be held in Istanbul, Turkey.

During this congress an “Early Career Psychiatrists Fellowship Program” is organized to support the participation of highly promising early career psychiatrists from across the world.

**Early Career Psychiatrists Fellowship Program** will include:

1. The congress registration fee of the selected fellows.
2. Accommodation expenses of the selected fellows for five nights.
3. A special scientific tract on scientific issues relevant to early career psychiatrists.
4. Early career psychiatrists selected for this programme are expected to submit an abstract for oral / poster presentation to be accepted as a nominee for Scientific Research Awards for Oral/Poster Presentations.
5. Free access to the Early Career Psychiatrists Lounge for informal get-together, and special socio-cultural events.
6. The selected fellows are expected to use local or other sources for their travel expenses.

**The selection criteria for the Early Career Psychiatrists Fellowship Program** are:

1. Being nominated by a WPA Member Society from the country where the candidate currently resides. The Nomination Form sent by the President of the WPA Member Society and accompanying documents must be received by December 1, 2015.
2. No more than 40 years of age or no more than five years elapsed since the completion of residency training.
3. Fluency in English proven by relevant documents.
4. Superior educational and professional record.
5. Documented contribution to the field, such as publications and other innovative activities.
6. Plans of and likelihood of future significant contributions to psychiatry and mental health, both nationally and internationally.
